If you previously purchased data sets and are simply completing a new project application, please list the data sets here.

- a. If you are using previously purchased datasets for a new study, please select the appropriate “Repeated Use” product (\$0 value) and list their admission years in the highlighted section shown. The ACS does not require that you purchase the same dataset multiple times for each study. You are required to complete an application for each subsequent study, but you will not be charged.

5. Review the Terms of Agreement and select *Submit* to complete your application.
